May, 2024

Dear Coworkers in the Great Commission,

Over the past 25+ years of working with youth, preaching the Gospel has changed.

Me, *"Jesus is the answer to everything, from how we should live, to who can save us"*.

Brian, *"I don't know, I'm spiritual, and no one can say their god is better than mine"*.

It used to be the case, that ignorance of Jesus was the main hurdle to leading youth to Christ. While talking to Brian, I realized how much things have changed. Youth are just as ignorant about Jesus and the Gospel, but they have been filled with so many lies about everything that is false.

From, *"More than one way to Heaven"*, to *"Islam is a religion of peace"*. Well, I know this, *"The gates of hell will not prevail against us"*. So, I find myself tearing down the strongholds of the enemy, as a lead in to preaching the Gospel.

This means, my time with Brian will be hard work, tearing down the lies he has embraced, and replacing them with Truth. Please pray for Brian as we discuss our faith with each other.

I thank you all so much, for your prayers, generous giving, and those of you who volunteer your time as well. May you all be blessed, as we share God's blessings to the world. Of course, the greatest blessing is the Good News of the salvation He offers each of us so freely.
