THANK you to Home Federal & Unique Realty for the event benefiting YFC!

Dear Youth For Christ partners,

TM

This is an extremely busy time for us. We recently finished running Middle School Camp at Prairie River Camp. We had seventeen youth that signed up through Albert Lea and twenty two more young people who signed up from other areas. So we had thirty nine middle school students and about ten high school students and twenty adults who were a part of camp. Of the campers that were in attendance who filled out a feedback form **thirteen** said yes to a relationship with Jesus for the first time in their life, **twenty** said yes again to a relationship with Jesus and **four** said they weren't ready. One of our staff who was a cabin leader, shared that *there was a time during worship where one of the girls from my cabin started to cry. She went up to her afterwards and began to pray for her. It was a beautiful moment where she was able to share some truth with her.* Another leader came up to her and shared some verses with her. It was such a beautiful thing to witness her open up like she did.

After camp was over we had an entry in the parade with close to twenty youth who helped. Next we got a shipment of Georgia peaches to sell as a fundraiser! Now, we're taking close to **thirty** High School students on a four day camping trip to the Wisconsin Dells. In the midst of all of this The Rock is still open to youth each week day, and we are serving a free one pm meal each day. Please be in prayer for the ministry during this very busy time. Thank you for your prayer and financial support!
