

WAYS TO FUND THE MISSION OF YOUTH FOR CHRIST

Your faithful support is vital to the Ministry of The Rock. In addition to regular giving, there are several unique options available. Below is a list of ways that others have helped and may be a good fit for you. It is because of your prayers and support that we have been able to reach young people in the South Central Minnesota area.

BECOME A TEAM YFC MEMBER

Team YFC Members make a 3-year commitment to monthly gift (i.e. \$25, \$100, \$500, ect) or annual gifts (i.e. \$1,000, \$10,000 or \$25,000, ect). Commitments can be made on-line at scmyfc.org or by mail. Checks should be pay to the order of: Youth For Christ, and mailed to SCMYFC, 116 West Clark Street, Albert Lea, MN 56007

REAL ESTATE DONATION

The value of real estate can often greatly increase the size of your estate. A real estate donation entitles you to a significant current tax deduction and can reduce the value of your estate, which can save or eliminate estate taxes. It can also provide a lifelong monthly income.

DONATION OF STOCKS & MUTUAL FUNDS

Donating appreciated stocks or mutual funds can be a great benefit to both the donor and YFC. As a donor of an appreciated stock or mutual fund, you are able to avoid paying capital gains tax on the appreciation of the asset. Also, as the donor of that security, you get to deduct the full fair market value of the security at the time of the gift, if you have held the security for longer than 12 months.

WILLS & TRUST BEQUESTS

A bequest through a will or trust is the most popular form of planned giving. By remembering YFC in a will or trust, you are looking past your own lifetime to further the work of the kingdom through the Youth For Christ Endowment Fund. These gifts ensure that YFC will always be ready to reach out to young people.

CHARITABLE GIFT ANNUITIES

You make an irrevocable gift, generally using cash, maturing CD's, or securities in exchange for lifetime guaranteed payments, the amount of which is based on the value of your gift and the age(s) of the payment recipients. In addition, the donor receives an immediate income tax deduction, and a portion of each payment is income tax free!

YOUTH FOR CHRIST
SOUTH CENTRAL MINNESOTA

May, 2022

South Central Minnesota Youth For Christ Newsletter

Dear Youth For Christ Partners,

We talked about how to discover God's will for your life during small group at Campus Life Monday night. About six youth were in the group. I shared with them that it is first important to surrender their lives to God. So He could lead them into the best plan ever for their life. God knows us better than we know ourselves. One of the girls declared, "I'm not a Christian". I said, "That's ok, we're glad you're here".

The staff and volunteers have been doing such a great job sharing their faith with the kids that are coming in. I walked into the Drop - in Center and over to the counter and overheard one of the staff sharing their faith with one of the youth in some general conversation. I was so blessed to hear that.

Each day we pick up youth from the Middle School and High School. Today as I was picking up kids from the Middle School the energy and noise in the van was loud. A young man who was sitting right behind me in the van blurted out "My dad left me twelve years ago". One of the other young people asked what he looked like. His statement seemed lost in all the noise and talking that was going on but I heard it and so did Jesus. Someday I hope to ask him about his dad.

Tomorrow I plan to take out to eat one of the youth and two of his friends after we do a work project together. The kids were so excited. **Time together life on life.** Sometimes the Gospel is better caught than taught. Praying for a great harvest. Thank you for your partnership.

Reaching youth,

Greg Gudal

Executive Director of South Central MN YFC

Places like these for lost kids who are wanting to find a place in life, and wanting to find love and figure out where they belong; YFC and PRC would and will change their life for the better and learn about God along the way.

Everyone has a story on where they are right now.

For the very first time the headaches stopped.

I knew that I wasn't alone in this world, and wasn't alone on this journey to finding Him.

Greetings Ministry Partners!

So grateful for your continued support of Youth For Christ. It has been a blessed and challenging season of Ministry. Fifty-one students have attended High School Clubs since January this year.

I think the biggest challenge so far this year has been winning the student's interest. Not too many things catch their attention anymore. I don't know for certain what has caused this disconnection, but regardless I know God has a plan to reach these youth.

Pray that God would captivate their hearts and stir a passion in them for His word. I have seen God at work in some of our students. One student, Sethicus, **has a constantly increasing desire to share Christ with others.** He has made regular attendance at his Church and serves often with them. He is finding opportunities to pray for his friends and anyone he feels God is leading him to pray for. Sethicus also started a Bible Study at our Drop-in Center on his own. It is a joy to see his faith increasing.

Pray for more of his peers to develop a faith like this. Thank you all for being a part of this Ministry, whether through giving or prayer. You make a difference.

GIVE LIFE TO YOUR STORY™

Greetings,

I have been at Youth for Christ for almost nine years and in that time we have 'lost' youth that frequented The Rock briefly or for many years, even those who 's parents attended years before I was here. My heart has increasingly become heavy, broken, and hurting especially these past months; we have so many youth who feel hopeless or are walking a life of poor choices. **I feel an urgency like never before.** I struggled myself as a youth and young adult in a dark and hopeless life for a season. It is so difficult to turn the corner, almost impossible without the hope of Jesus.

I recently attended yet another young funeral and I couldn't help but wonder...did the angels rejoice for yet another Christ follower or was Heaven silent? I pray to see many of these young faces when my life comes to an end. It's a hard contemplation. Heaven and hell are both realities.

Recently my Pastor preached on this topic; he shared the agony, never ending, never stopping pain suffered in hell. The next day at our YFC High School Club the topic was "Where do you want to go when you die?" In small groups after the message, we discussed both realities. When hell was mentioned one student (that has been coming here for over 10 years) with a serious expression all of a sudden asked, "What, Hell is for real?" We went on to discuss the topic for a short time. She then repeated the question at least two more times, I think she was waiting for me to say, "Nah, I'm kidding hell is not real." I'm not sure what she was thinking, I wonder if maybe she just thought it's something people say to be mean. During our time talking we dialed back, it's a heavy topic, anxiety was setting in for her just talking about death in itself.

We know that God is the one who knows our hearts and those of others. We are not the judge and jury, only He is. Our responsibility is to build relationships and share the Gospel. **I want, no, NEED to tell everyone about Jesus.** This life is temporary, eternity is not. I love

PAID JOB OPENING for Drop-In Center

people and want to see them in Heaven. We don't know if we have a 'tomorrow.' The time is NOW. **There is hope in Jesus.**

Thank you for partnering with us so we can share with youth what the Bible says about Heaven and Hell. To present lost youth with the opportunity to receive Jesus as Savior so they can spend eternity in Heaven.

Recently I have been doing a Q&A with the youth at The Rock; some of our kids don't even know who Jesus' birth mother was. When talking about Good Friday and Easter; one of the 15+ youth thought Easter was when Jesus was born. **We need to be sharing with our youth about Jesus the Savior, Heaven, and the reality of life without Christ in our lives.** Most recently we had five youth answering questions, ones that didn't know answers about Easter previously...one remembered WHO betrayed Jesus and HOW He died. I was ecstatic! They were also excited they knew the answers. God Bless

The Rock Drop-In Center

The following letter is from a young man who has been involved with The Rock.

I am 21 years old. My favorite thing to do in my free time is going on runs at the YMCA with my running partner, who is also my friend. I also love to go on long walks, while listening to music.

I went to The Rock throughout my school years, and they were there for me whenever I needed them to be. They helped me emotionally, financially, and spiritually. When people I loved died back to back, like my grandma dying of natural causes, my uncle from cancer, and my best friends sister from an epileptic seizure. **I felt like this world wanted to cause me pain, and wanted to hurt me in ways I can't even explain, because those were people that I loved with all my heart.**

I was 16 years old when they all died, because they died back to back, so that's when I fell into depression and despair. I was doing things I shouldn't have been doing. I was doing drugs, and drinking a lot at parties to try and forget everything that was happening at home, and all the sadness that was in the air. I felt that there was **no hope at all**, and I didn't care about myself, or those around me. I didn't care if I caused them pain, or just didn't care about anything. I had the idea that if I kept those that I cared about at a distance then I would be good. I wouldn't get hurt if they left me.

They helped me emotionally, financially and spiritually.

I was a lost kid just trying to find his place. I didn't know what was there for me in life. That's when I met staff at The Rock and meeting them changed my whole life. Being with them, and getting to know God through them and **having a father figure was just the most amazing thing ever.** I never thought I would have created a connection. I just thought I was going there to play some ping pong, but it was more than that. People at Youth For Christ really changed my life. They were willing to set aside money for me, so I could hear better. They were wanting to be there

They were wanting to be there whenever, and whatever I needed them for.

whenever, and whatever I needed them for. They truly wanted to help me change my life, and that's what they did for me. They changed my life, helped me understand WHY I am here, and helped me understand God's word.

I remember my very first time coming to Prairie River camp for a whole week, it was so fun, and amazing. It was one of the best times of my life, just not having to think about anything at all. To be honest my first time at Camp I was just going there to go rock-climbing. I wasn't looking to find my faith. I remember the night sky with the moon being out, and being by the theater with Greg. We were talking, and I asked for prayer for the headaches that I was having, and just prayers for everything that night. For the very first time the headaches stopped, for so long I had them,

from their family foundation. Thank you!

Hello! We are coming to an end of our Middle School Clubs for the school year. The Middle Schoolers last Club is on May 17, 2022. From fall to spring, we have seen **60** new students at the Middle School Club. We are still having small groups and between the **six groups** we have, there is an average of about **eight kids** per group. We have done a lot of fun activities this school year such as: a few scavenger hunts, opportunities to win prizes, PRC Winter Camp, and going out to eat. Though these events have been fun, **there is something much more exciting I have seen in the kids.**

Since the spring, they have heard messages about anxiety, depression, relationships, bullying, weaknesses, temptations, prayer, and many other topics they have related to. I am unsure if what I say has impacted their life, but I do know in the small groups, they are willing to converse about their feelings. One youth said to me in a small group, **"I hate my mother because she chose drugs over me; over her kids."** This made my heart heavy because I could see the anger and frustration in the eyes. The last thing I want to see in a youth is them hurting. I told them it is okay to be upset and confused as to why she did that, but **still pray for her.** They looked down and said "Yeah." I knew they did not like my response, so I told them a story from my life where someone hurt me badly and I still prayed for them. This made them look up and talk to me more about what their mother did.

It can be hard to pray for someone who hurt us, but that is what my challenge will be for the kids throughout the summer. Matthew 5:43-44 says, *"You have heard that it was said, 'Love your neighbor and hate your enemy.' But I tell you, love your enemies and pray for those who persecute you."*

As our Club is coming to an end for the school year, **89** Middle Schoolers have attended the club. I hope out of these 89 Middle Schoolers, at least **one will take what God has spoken to them and applies it to their life.**
